Hobbies

I enjoy exploring new technologies, building small web projects, and learning how things work behind the scenes. In my free time, I like watching anime, tech videos, playing games, and reading about new trends in development.

Profile

I'm an enthusiastic and quick-learning web developer with a solid foundation in HTML, CSS, and JavaScript. I've built simple, responsive web pages and enjoy turning ideas into functional designs. My motivation comes from solving problems and continuously improving my skills. I'm eager to grow in full stack development and take on real-world projects that challenge me.
